**Report of Principal and School Improvement Council**

Matilda F. Dunston Primary School, a National Distinguished Title I School, serves Pre-K through 3rd grade students and their families. The enrollment during the 2013-14 school year consisted of 376 students; 68% African American, 24% Hispanic, 6% Caucasian, and 4% other. M.F. Dunston Primary, a small community school with over 98% poverty rating, continues to strive for excellence.

Emphasis has been placed on classroom instruction as well as building partnerships with home and community members to meet the needs of our students. The academic program at Dunston provides each child with instruction that is appropriate and tailored to their individual needs. Extended classroom learning trips (field trips) provide experiences for students to make connections beyond the classroom walls. Additionally, teachers remain abreast of current and effective strategies by participating in professional development opportunities within the district and state. The focus has been to deliver effective instruction using the Mastery Teaching Model and proven strategies to enhance students' understanding and demonstration of the Common Core State Standards. The use of research-based interventions at the earlier grades has proven to be very effective, with fewer students needing Tier 2 and 3 interventions in the areas of reading and math. In addition, the use of support staff in providing small group and one-on-one tutoring has ensured that 100% of all Tier 2 and 3 students' needs are met.

Increased and consistent parent involvement continues to be one of our goals at Dunston Primary School. Regularly scheduled parent involvement events allow parents to participate in learning experiences alongside their child. Our Fall Carnival, Family Fitness Nights, annual Cinderella Ball, and 30 Books Reading Celebration are a few of the events that a number of families proudly participate with their children.

While we are very proud of our accomplishments, we will continue to assess our strengths and weaknesses for school improvement. Dunston will continue to set new goals for improved student performance and will continue to focus our attention on student achievement, teacher quality, and parent involvement.

As we continue to strive for excellence, we encourage all stakeholders to be a part of the change process; bringing positive changes for the students, parents, and staff at Matilda F. Dunston Primary School.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>84</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Matilda F. Dunston Elementary School has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
